Trailers 2000 leads the way with Australian Regulation Approval.

The Australian Government has introduced legislation requiring anyone manufacturing and retailing a trailer in Australia, to meet the mandatory safety requirements and minimum specifications. Many trailers sold in Australia are not safe, and do not have this mandatory approval.

AUSTRALIAN GOVT ROAD VEHICLE APPROVED

VTA-060326
APPROVAL NUMBER

Trailers 2000 continues to lead, receiving the mandatory Approval for trailer products in Australia i.e. Department of Infrastructure, Transport, Regional Development and Communications. Mandated Road Vehicle Type Approval for Trailers 2000 trailer products, Approval Number VTA-060326.

The Government will require anyone wanting to register a trailer to prove that the trailer has the Approval i.e. VTA number.

It's another reason why it's a smart, safe choice to buy Trailers 2000.

Built Tough. Built to Last.
